- (c) *Conduct of elections.* All elections provided for by the charter shall be conducted by the election authorities established by law. Such ordinances and regulations pertaining to elections shall be publicized in the manner of city ordinances generally.

City Attorney's Explanation of Amendment C:

The proposed change, as adopted by ordinance and thereby submitted by the Sioux Falls City Council, would provide that council candidates seeking to run for city council district positions would no longer be required to obtain 200 registered city voter signatures on their nominating petitions. Instead, city council district nominating petitions would only be required to have at least 50 signatures of registered city voters residing in that respective city council district. The proposed change is offered since there is a smaller pool of available registered city voters to sign nominating petitions in each council district as compared to that which is available to mayoral or at-large council candidates. The charter requirement for mayoral and council candidates seeking to run for at-large city council positions would remain unchanged in requiring 200 registered city voter signatures for their nominating petitions.
