How do you plan to improve the Mayor / Council partnership?

What is your position on mass transportation and what will you do to encourage ridership?

What will you do to improve the maligned reputation of the Pettigrew Heights central district?

Does proposed Charter Amendment A give more power to the Mayor and less to the City Council and how do you feel about this amendment?

What leadership will you bring to forge partnerships, more and better, with both Lincoln and Minnehaha counties?

Do you support an Events Center? How should we pay for one and where should it be located?

How would you work for the homeless?

Do you support stronger city regulations and licensing of services?

What is the City Council's role in job creation in Sioux Falls?

Where should the city consolidate the location of many departments that are now scattered around the city?

Is city planning heading in the right direction regarding growth and development? Is there a point when the city becomes too big?

What is one way you would like City Hall to do business differently?

Closing remarks.
