A. Lorie Hogstad, City Clerk

Hogstad gave an update regarding Alpha Video finishing their work in the Chambers. She also advised the Council that the Chambers now has a timer for use in future meetings, if required.

B. Jim David, Legislative/Operations Manager

David gave an update concerning designating 'the official newspaper' for the City of Sioux Falls. Discussion was held regarding the payments made to the local newspaper, rates being set by administrative rule, and possible future rate increases.

3. City Council Open Discussion

Aguilar noted that the agendas for recent Informational Meetings have been quite full and have not allowed a lot of time between meetings. She proposed that the Event Center updates be moved from the second Informational Meeting of the month to the third Informational Meeting. This would allow sufficient time for this one topic and the Council could go immediately to the scheduled Joint Meeting with Minnehaha County at 5:00 p.m. She has discussed this change with the Mayor and the Council Chair.

Roling asked about possible schedule changes with the Land Use Committee Meeting. Discussion about moving this Committee Meeting was dependent on permanently rescheduling the Joint Meetings. Erpenbach stated that the County meetings were going to be on the third Tuesday. Erpenbach asked Council staff to move forward with making these changes.

Jamison gave an update regarding his attendance at last week's Metro Management meeting and stated that service calls to 911 dramatically increase when the weather gets warmer.

Staggers provided clarification on an email that was received yesterday by all the Council Members. Discussion was held regarding the bicycle ordinance, and penalties for bicycle ordinance violations. This item will be presented to the City Council for 2nd Reading at the City Council Meeting on Tuesday, July 10, 2012.
