1. Call To Order

2. City Council Open Discussion

Council Member Kermit Staggers discussed the proposal to prohibit smoking in the City's parks. He stated that, in the past, the City Council has voted to prohibit smoking in public buildings and added that the parks are also the Council's responsibility.

Staggers also addressed the blocking of certain internet sites when using the City's computer system. He understands the blocking of certain sites for City employees, however, the elected officials should have full access. Council Member Dean Karsky has also had this same issue and could not access a certain website. Council Member Jim Entenman suggested that the internet policy be clarified with Sue Quanbeck Etten, Director of Central Services.

Staggers has heard advertising regarding a City health card and is trying to find out more information about this card. Erpenbach responded that staff has also looked into this and will check with Jill Franken, Public Health Director, on this card.

Council Member Greg Jamison said the Audit Committee is meeting on Thursday, April 4, 2013 at 4:00 p.m. at the Carnegie Town Hall.

Erpenbach reminded the Council that there is a Working Session scheduled for Wednesday, April 10, 2013 at 4:00 p.m. Council has been advised to let Dave Bixler know if they have suggestions for the CIP surplus.
