\* 5:09 PM

Carnegie Town Hall  
235 West 10<sup>th</sup> Street

**Members Present:** Council Member Kenny Anderson Jr., Council Member Michelle Erpenbach, Council Member Dean Karsky, and Council Member Sue Aguilar

**Members Absent:** None

**Staff Present:** Tamara Jorgensen, CMC, Assistant City Clerk; Lorie Hogstad, CMC, City Clerk; Jim David, Legislative/Operations Manager; and David Bixler, Budget Analyst

**Guests:** Council Members Jim Entenman, Greg Jamison and Rex Rolwing

## 1. Call To Order

Committee Chair Kenny Anderson Jr. called the meeting to order at 5:09 p.m.

## 2. Review and approval of minutes dated October 8, 2013

A motion was made by Council Member Michelle Erpenbach and seconded by Council Member Sue Aguilar to approve the minutes. Anderson Jr. called for a voice vote and all members voted yes. **Motion Passed.**

## 3. Proposed Ordinance Updates to Chapter 38, Elections by Lorie Hogstad, City Clerk

Lorie Hogstad, City Clerk, reviewed proposed ordinance changes to Chapter 38, Elections. These changes are required due to recent updates in state law. Hogstad stated she would like to have 1st Reading on Tuesday, November 19, 2013 and 2nd Reading on Tuesday, December 3, 2013, making the ordinance changes effective the beginning of 2014. Discussion followed.

Anderson Jr. asked if this item could be reviewed again by the Public Services Committee in June, 2014, for any additional revisions. This subject will be added to the listing for future consideration by the Public Services Committee.

Anderson Jr. suggested that some of the election items or directions could be videotaped and played on Channel 16 for future review by candidates.

A motion was made by Council Member Dean Karsky and seconded by Council Member Sue Aguilar to present this item as a 1st Reading at the City Council Meeting on Tuesday, November 19, 2013 at 7:00 p.m. and as a 2nd Reading at the City Council Meeting on Tuesday, December 3, 2013, at 7:00 p.m.

Anderson Jr. called for a voice vote and all members voted yes. **Motion Passed.**

**4. Water Management Philosophy by Trent Lubbers, Utilities Operations Administrator; and Greg Anderson, Water Superintendent**

Trent Lubbers, Utilities Operations Administrator provided a PowerPoint presentation of the City's water philosophy. This presentation was requested by the City Council during the budget process. Discussion followed.

**5. Taxi Cab Ordinance Review by Jim David, Legislative/Operations Manager**

Jim David, Legislative/Operations Manager, provided a PowerPoint presentation on Chapter 124, Vehicle For Hire. This presentation incorporated additional recommended changes to the ordinance since the October meeting. David reviewed the proposed changes with the committee. Discussion followed.

Anderson Jr. opened this portion of the meeting for public input on this subject.

Feedback was received regarding the following items: drivers securing state tax identification numbers; fuel surcharges; questions regarding the “language stating any individual may request service”; the location of business telephone numbers for 24/7 service; enforcement for the 12 hr. driving requirement for drivers; 24/7 service provisions for single owner taxis; safety regulations; properly displayed identification; timeliness of taxi response times; and questions were asked about how the proposed changes are going to be enforced.

Council Member Dean Karsky recommended that this ordinance be re-reviewed in sections by the Public Service Committee. He noted that there are many proposed changes which will affect the livelihood of many people while also impacting the citizens of Sioux Falls.

The Public Services Committee will be holding several future Working Sessions to review the proposed ordinance revisions in sections.

Anderson Jr. reminded the viewing audience that they are available for feedback on any of these subjects. Their email addresses are as follows: Kenny Anderson Jr. - [kandersonjr@siouxfalls.org](mailto:kandersonjr@siouxfalls.org); Dean Karsky - [dkarsky@siouxfalls.org](mailto:dkarsky@siouxfalls.org); Michelle Erpenbach - [merpenbach@siouxfalls.org](mailto:merpenbach@siouxfalls.org); and Sue Aguilar - [saguilar@siouxfalls.org](mailto:saguilar@siouxfalls.org). In addition, the email address for Jim David, Legislative/Operations Manager is [jdavid@siouxfalls.org](mailto:jdavid@siouxfalls.org).

The Public Services Committee Meeting for Tuesday, December 10, 2013, will be *rescheduled* as a Public Services Committee *Working Session*. The only topic on that agenda will be the Taxi Cab Ordinance Review.

**6. Open Discussion**

There was none.

**7. Adjournment**

A motion was made by Council Member Michelle Erpenbach and seconded by Council Member Sue Aguilar to adjourn the meeting at 6:45 p.m.

A voice vote was taken and all members voted yes. **Motion Passed.**

## MONTH OVER MONTH EXPENDITURES

## YTD EXPENDITURES BY DEPARTMENT

**Table of Contents**

---

**Page**

**FUND SUMMARIES**

The focus of the General Fund, Sales Tax Fund, and all other non-internal service or enterprise funds within this monthly status report is on **available fund balance** as this is the balance that is anticipated to be available if actual results are as budgeted. In addition to the budget, unbudgeted changes in certain reserves such as inventories and debt service also impact the available balance. Allowances for changes in reserves are shown when they can be reasonably estimated.

Most funds also contain a cash breakdown to identify available versus restricted or designated cash balances. In a couple of instances, the cash breakdown has been replaced with a breakdown of assets and liabilities as the focus of these funds is not current spendable resources but rather a longer-term reimbursement of the City's investment in the projects supported by these funds.

The focus of the internal service and enterprise funds within this monthly financial status report is on **cash flow** as these funds are driven by service levels not budget. These funds must have the necessary cash flow to meet current expenditures, maintain existing infrastructure, and to build reserves to meet unanticipated capital outlays or shortfalls in operating revenue.

**General Fund Summary..... 1**

The General Fund is the City's primary operating fund. The primary revenue sources are the first penny sales tax and property taxes. Other revenues include the frontage tax, licenses and permits, federal, state and county shared revenues, and charges for goods and services. Expenditures are used to fund operating activities including personnel expenditures for wages and benefits, professional services, repair and maintenance, supplies and materials, utilities, and other non-capital costs.

In addition to providing a current budget to actual expenditures comparison, the report also measures performance to two policy targets established by the City Council. The first is a comparison of the estimated available fund balance to budgeted expenditures with a target of 25% available fund balance to budget at year-end. The second policy target is an 11% cash balance to budget.

**Sales & Use Tax Summary..... 2**

The Sales & Use Tax Fund is a special revenue fund that accounts for capital purchases and debt service funded by the second penny sales tax. In addition to sales tax, revenues include special assessments and state or federal grants. Expenditures include purchase of land, construction of buildings, infrastructure and other capital improvements, and capital equipment purchases.

As large construction project contracts are awarded and paid throughout the year and into future years, encumbrances have been added to the actual-to-budget comparison to provide a more accurate picture of remaining budget balances. The long-term nature of the contracts and agreements is also the reason for the focus on unobligated fund balances to identify the estimated remaining resources that may be programmed for capital projects. This summary also includes a breakdown of monies being received for the specific purpose of funding the construction of arterial streets.

**Municipal Sales & Use Tax Collections (Accrual Basis)..... 3**

This report provides the detail of the sales & use tax receipts that are collected and remitted to the City by the State of South Dakota Department of Revenue. The first and second penny sales taxes are collected on essentially all local sales and are used as described above. The entertainment tax is collected on lodging, sales of alcoholic beverages, dining out, as well as ticket sales or admissions. The entertainment tax is used to fund operating and capital activities related to the operations of the Convention Center and Washington Pavilion as well as pay a portion of the debt service for the construction of the two facilities. The lodging tax is collected on overnight stays with the entire amount collected being remitted to the Convention and Visitors Bureau for promoting the City. This report is prepared on an accrual basis consistent with collections for the month from the State Department of Revenue.

**Compilation of Other Funds ..... 4-6**

Special Revenue Funds are used to account for the proceeds of special revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditure for specified purposes. Additional Special Revenue Funds include the Entertainment Tax Fund, Railroad Relocation Fund, Community Development Fund, Transit Fund, Storm Drainage Fund, and Big Sioux River Environmental Fund.

**Table of Contents**

---

Capital Project Funds account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds). This fund type includes the Special Assessment Bond Construction Fund, TIF Fund, Sioux Falls Flood Control Fund, and Culture/Rec Bond Construction Fund. Certain funds within this category are on a reimbursement basis and will carry negative balances within available cash as they await reimbursement from trust funds or other sources.

Permanent Funds account for resources that are legally restricted to the extent that only earnings, not principal, may be used for purposes that support specific programs. This fund type includes the Library Memorial Fund and Cottom Memorial Fund.

**Internal Service Funds ..... 6**

The internal service funds are used to effectively accumulate and allocate costs internally among the City's various functions. Internal Service Funds are used for the City's self-insured health plan, workers' compensation, liability insurance, technology equipment (general revolving fund), and fleet management services. These services are provided to the other departments of the City on a cost reimbursement basis. Much like the enterprise funds, the internal service funds are driven by service levels and are non-appropriated. A change in cash position is provided for these funds to indicate balances available to meet the demands for service within these funds.

**Enterprise Fund Summary of Cash Flows ..... 7**

The Enterprise Funds account for the business-type activities of the government. The City of Sioux Falls uses enterprise funds to account for the activities of the electric light, public parking, sanitary landfill, water, and water reclamation operations. Demands for services determine the amount of resources necessary to provide the established service levels; thus, the funds are non-appropriated. A modified cash flow statement is provided for these funds as it provides the most useful information in monitoring the status of each of these funds and their ability to fund ongoing operating and capital needs.

**CAPITAL PROGRAM**

**Capital Program (CIP & OCEP) Fund & Department Summary ..... 8**

This capital summary is organized on a fund and departmental basis. It provides a general overview of the allocation of the various resources as well as providing current budget balances for the capital (CIP & OCEP) by department.

**Capital Improvement Program (CIP) Projects Summary ..... 9-12**

This CIP report presents each individual project within the capital program. As each project may involve several funds, the projects are organized by the primary department for which the project is being completed. Project budgets are balanced on a project-by-project basis. The report also contains a status code to define the status of each project. The codes are: N – not started; S – signed contract; PD – preliminary design; D – under design; DC – design completed; I – in construction; SC – substantially completed; W – under warranty; C - complete. Page 12 also includes a summary of the Arterial Streets projects' sources and uses.

**Other Capital Expenditures Program (OCEP) Summary ..... 13-16**

The OCEP report details the City's capital equipment program by fund and department. Equipment budgets are balanced on a departmental basis, not on an item-by-item basis.

**DEBT**

**Outstanding or Authorized Debt ..... 17**

This page is a detail of the City's current outstanding and/or authorized debt. It is meant as informational only as it does not place the debt into context as to the ability that each source has to repay the obligation. The ability to repay is shown in detail in the comprehensive annual financial report of each year. This report summarizes each debt issue that is outstanding or that has been approved but not yet issued, the general purpose for each debt issuance, the source of repayment, and the interest rates for each issue. The report is organized into two broad categories, governmental and business-type, to indicate the funding source being used to repay the obligation.

**BUDGET**

**Budget/Appropriation Adjustments ..... 18-20**

The appropriation and budget adjustment report shows budgetary actions that have occurred since the budget was initially adopted. The report is organized to show budget actions on a fund basis. The details for the supplement column are presented by month on the final page of this section to show specific actions and the reason for each supplement.
